

White Christmas

I'm dreaming of a white Christmas
Just like the ones I used to know
Where the tree tops glisten
And children listen
To hear sleigh bells in the snow

I'm dreaming of a white Christmas
With every Christmas card I write
May your days be merry and bright
And may all
Your Christmases be white

I'm dreaming of a white Christmas
Just like the ones I used to know
Where the tree tops glisten
And children listen
To hear sleigh bells in the snow

I'm dreaming of a white Christmas
With every Christmas card I write
May your days be merry and bright
And may all your Christmases
May all your Christmases
May all your Christmases

Rockin around the Christmas tree

Rockin' Around the Christmas tree
At the Christmas party hop
Mistletoe hung where you can see
Every couple tries to stop

Rockin' Around the Christmas tree
Let the Christmas spirit ring
Later we'll have some pumpkin pie
And we'll do some caroling

You will get a sentimental feeling
When you hear
Voices singing "Let's be jolly
Deck the halls with boughs of holly"

Rockin' Around the Christmas Tree
Have a happy holiday
Everyone dancing merrily
In the new old fashioned way

Jingle bell rock

Jingle bell, jingle bell, jingle bell rock
Jingle bells swing and jingle bells ring
Snowin' and blowin' up bushels of fun
Now the jingle hop has begun
Jingle bell, jingle bell, jingle bell rock
Jingle bells chime in jingle bell time
Dancin' and prancin' in jingle bell square
In the frosty air

What a bright time, it's the right time
To rock the night away
Jingle bell time, it's a swell time
To go glidin' in a one-horse sleigh
Giddy up, jingle horse, pick up your feet
Jingle around the block
Mix and a mingle and a jingling beat
That's the jingle bell rock

Frosty the snowman

Frosty the snowman
Was a jolly happy soul
With a corncob pipe
And a button nose
And 2 eyes made out of coal

Frosty the snowman
Is a fairytale they say
He was made of snow
But the children know
How he came to life one day

There must have been some magic
In that old silk hat they found
For when they placed it on his head
He began to dance around

Frosty the Snowman
Was alive as he could be
And the children say
He could laugh and play
Just the same as you and me

Frosty the Snowman
Knew the sun was hot that day
So he said let's run
And we'll have some fun
Now before I melt away

Down to the village
With a broomstick in his hand
Running here and there all around the square
Saying catch me if you can

He led them down the streets of town
Right to the traffic cop
And he only paused a moment when
He heard him holler stop

Frosty the Snowman
Had to hurry on his way
But he waved goodbye
Saying don't you cry
I'll be back again some day

Rudolph

Rudolph the Red-Nosed Reindeer
Had a very shiny nose,
And if you ever saw it,
You would even say it glows.
All of the other reindeer
Used to laugh and call him names;
They never let poor Rudolph
Join in any reindeer games.

Then one foggy Christmas Eve,
Santa came to say,
Rudolph with your nose so bright,
Won't you guide my sleigh tonight?

Then how the reindeer loved him
As they shouted out with glee,
Rudolph the Red-Nosed Reindeer,
You'll go down in history.

Jingle Bells

Dashing through the snow
On a one-horse open sleigh,
Over the fields we go,
Laughing all the way
Haha!
Bells on bobtails ring,
Making spirits bright,
What fun it is to laugh and sing
A sleighing song tonight,
(Oh!)

Jingle bells, Jingle bells
Jingle all the way
Oh what fun
It is to ride
On a one-horse open sleigh
Hey (x2)

Santa Claus is coming to town

You better watch out
You better not cry
Better not pout
I'm telling you why
Santa Claus is coming to town
He's making a list
And checking it twice;
Gonna find out Who's naughty and nice
Santa Claus is coming to town
He sees you when you're sleeping
He knows when you're awake
He knows if you've been bad or good
So be good for goodness sake!
O! You better watch out!
You better not cry
better not pout
I'm telling you why
Santa Claus is coming to town
Santa Claus is coming to town

When a child is born

A ray of hope flickers in the sky
A tiny star lights up way up high
All across the land, dawns a brand new morn
This comes to pass when a child is born

A silent wish sails the seven seas
The winds of change whisper in the trees
And the walls of doubt crumble, tossed and torn
This comes to pass when a child is born

A rosy hue settles all around
You've got the feel you're on solid ground
For a spell or two, no-one seems forlorn
This comes to pass when a child is born

It's all a dream, an illusion now
It must come true, sometime soon somehow
All across the land, dawns a brand new morn
This comes to pass when a child is born

Away in a Manger

Away in a manger, no crib for a bed,
The little Lord Jesus lay down his sweet head
The stars in the bright sky look down, where he lay
The little Lord Jesus asleep on the hay

The cattle are lowing the baby awakes,
But little Lord Jesus, no crying he makes
I love thee Lord Jesus, look down from the sky
And stay by my side until morning is nigh

Be near me Lord Jesus, I ask thee to stay,
Close by me for ever and Love me I pray,
Bless all the dear children, in thy tender care
And fit us for heaven to live with thee there

Silent Night

Silent night, holy night,
All is calm, all is bright.
Round yon virgin, mother and child,
Holy infant so tender and mild,
Sleep in heavenly peace
Sleep in heavenly peace

Silent night, holy night
Shepherd's quake at the sight.
Glory streams from heaven afar,
Heavenly hosts sing Alleluia
Christ the saviour is born
Christ the saviour is born

Silent night, holy night
Son of God, loves pure light,
Radiant beams from thy holy face
With the dawn of redeeming grace
Jesus Lord at thy birth
Jesus Lord at thy birth

O Holy Night

O holy night!
The stars are brightly shining
It is the night of the dear Saviour's birth!
Long lay the world in sin and error pining
Till he appear'd and the soul felt its worth.
A thrill of hope the weary soul rejoices
For yonder breaks a new and glorious morn!

Fall on your knees
Oh hear the angel voices
Oh night divine
Oh night when Christ was born
Oh night divine
Oh night divine

Led by the light of Faith serenely beaming
With glowing hearts by His cradle we stand
So led by light of a star sweetly gleaming
Here come the wise men from Orient land
The King of Kings lay thus in lowly manger
In all our trials born to be our friend

Fall on your knees
Oh hear the angel voices
Oh night divine
Oh night when Christ was born
Oh night divine
Oh night divine

Truly He taught us to love one another
His law is love and His gospel is peace
Chains shall He break for the slave is our brother
And in His name all oppression shall cease
Sweet hymns of joy in grateful chorus raise we,
Let all within us praise His holy name

Fall on your knees
Oh hear the angel voices
Oh night divine

Oh night when Christ was born
Oh night divine
Oh night divine

Mary did you know

Mary did you know that your baby boy would one day walk on water?
Mary did you know that your baby boy would save our sons and daughters?
Did you know that your baby boy has come to make you new?
This child that you've delivered, will soon deliver you

Mary did you know that your baby boy will give sight to a blind man?
Mary did you know that your baby boy will calm a storm with his hand?
Did you know that your baby boy has walked where angels trod?
When you kiss your little baby, you kiss the face of God

Mary did you know? Mary did you know? Mary did you know?
Mary did you know? Mary did you know? Mary did you know?

The blind will see, the deaf will hear, the dead will live again
The lame will leap, the dumb will speak, the praises of the lamb

Mary did you know that your baby boy is Lord of all creation?
Mary did you know that your baby boy would one day rule the nations?
Did you know that your baby boy is heaven's perfect lamb?
That sleeping child you're holding is the great I am

Mary did you know? Mary did you know? Mary did you know?
Mary did you know? Mary did you know? Mary did you know? Oh
Mary did you know?

From a distance Christmas Version

From a distance
The world looks blue and green
And the snow-capped mountains white

From a distance
The ocean meets the stream
And the eagle takes to flight

From a distance
There is harmony
And it echoes through the land
And it's the voice of hope
And it's the voice of peace
It's the voice of every man

From a distance
The world sings 'Silent Night'
Like a soft embracing psalm

From a distance (From a distance)
The words sound sweet and clear
And all is bright and calm

From a distance
We are instruments
Marching in a common band
Playing songs of hope
Playing songs of peace
They're the songs of every man

God is watching us (God is watching)
God is watching us (I know he's watching)
God is watching us
From a distance

Gloria
In excelsis deo

From a distance
You, you look like my friend
Even though we are at war

From a distance
I just I cannot comprehend
What all this fighting's for

From a distance
There is harmony
Do you hear it echo through the land
It's the song of joy
It's the song of peace
It's the heart of every man

In the season of
Universal love
This is the song of every man

God is watching us (God is watching)
God is watching us (I know he's watching)
God is watching us
From a distance

God is watching us (God is watching)
God is watching us (I know he's watching)
God is watching us
From a distance
Oh come let us adore him
Joy to the world
