

We've only just begun to live
White lace and promises
A kiss for luck and we're on our way
We've only just begun

Before the risin' sun, we fly
So many roads to choose
We'll start out walkin' and learn to run
(And yes, we've just begun)

Sharing horizons that are new to us
Watchin the signs along the way
Talkin' it over, just the two of us
Workin' together day to day
Together

And when the evening comes, we
smile
So much of life ahead
We'll find a place where there's room
to grow
(And yes, we've just begun)

Sharing horizons that are new to us
Watchin' the signs along the way
Talkin' it over, just the two of us
Workin' together day to day
Together
Together

And when the evening comes, we
smile
So much of life ahead
We'll find a place where there's room
to grow
And yes, we've just begun
And yes ,we've just begun
We've only just begun
