

Beatrix Potter

Beatrix **P**otter was a childrens author **and** illustrator. Have you ever heard of her? She lived in London with her family **but** she did not go to school. She had a governess who taught her at home.

She did not have many friends **but** she loved spending time with her pets. She had two pet rabbits called **P**eter and **B**enjamin. Her family spent their holidays in the **L**ake **D**istrict where she learned about nature. She loved painting **and** drawing pictures for her books.

Beatrix **P**otter wrote 23 books **but** her most famous is called The Tale of Peter Rabbit. **B**eatrix died in 1943 **but** people still love her books today.
