

Our Lady Star of the Sea Catholic Primary Sporting Code of Conduct 2022/2023

Respect the decisions made by the referee, umpire or officials and the rules of the game.

Cooperate with teachers, coaches, volunteers, team mates and the opposition as without them, there would be no game.

Work to the best of my ability, both individually and as a team.

Be committed to my team by showing good attendance at training sessions.

Be positive and motivate others through support and encouragement. Demonstrate positive language.

Be a good sport, be humble in victory and gracious in defeat. Celebrate the good performance shown by all players.
