

# Year 6 Home Learning Timetable

The following document gives you a two week learning timetable for your child to complete at home. There is daily English, maths and then another subject lesson. For English and Maths, links and resources have been provided so that you can map the learning.

Within the email sent, there is a folder full of resources. The English is a lesson plan for each day. It will have a specific objective and task to complete. Maths will be accessed through the White Rose website and is inline with the content that we are covering in class currently. The aim is for your child to continue learning the same objectives as we are in class to minimise any learning gaps.

The other units of work are taught via Oak Tree Academy (the government online platform) and then submitted via Purple Mash.

If you have any issues, please email me on [n.gregan@ourladystarofthesea.lancs.sch.uk](mailto:n.gregan@ourladystarofthesea.lancs.sch.uk)

Daily Learning to complete in addition to the weekly timetable set:

- Reading daily for 45 minutes.
- Practise spellings that have been set for homework and collect other words that have the same spelling rule.
- IXL Maths - Have you completed all of the strand A in maths?
- IXL English - This will compliment the GPS that we have completed in class. Please complete Year 6 Strand J.
- Times Table Rock Stars.

Don't forget to use all of these online platforms to support your learning at home.
