

Using IXL for consolidation, fluency and overlearning

We have covered place value and the four operation over the past two terms. The children are able to have a go at all the IXL units coloured yellow. The units in red have not yet been explicitly taught—leave those for now. The children have identified the ones they have scored 100 on and the number they have reached in the others. Those which are left are ready to be completed

Place value

A1	A2	A3	A4	A5	A6	A7	A8	A9	A10	A11	A12	A13	A14	A15	A16	A17	A18	A19
----	----	----	----	----	----	----	----	----	-----	-----	-----	-----	-----	-----	-----	-----	-----	-----

Addition

B1	B2	B3	B4	B5	B6	B7	B8	B9
----	----	----	----	----	----	----	----	----

Subtraction

C1	C2	C3	C4	C5	C6	C7
----	----	----	----	----	----	----

Multiplication

D1	D2	D3	D4	D5	D6	D7	D8	D9	D10	D11	D12	D13	D14	D15	D16	D17	D18	D19	D20	D21	D22	D23	D24	D25
----	----	----	----	----	----	----	----	----	-----	-----	-----	-----	-----	-----	-----	-----	-----	-----	-----	-----	-----	-----	-----	-----

Division

E1	E2	E3	E4	E5	E6	E7	E8	E9	E10	E11	E12	E13	E14	E15	E16	E17
----	----	----	----	----	----	----	----	----	-----	-----	-----	-----	-----	-----	-----	-----

Four operations

F1	F2	F3	F4	F5	F6	F7	F8	F9	F10
----	----	----	----	----	----	----	----	----	-----
