EYFS Key Learning and Progression for Communication, Language and Literacy

Prime Areas				
Listening and Attention	Understanding	Speaking		
Listen – listen to others 1:1/in groups/whole class, in familiar and new situations or activities, listen to stories with enjoyment. Attention – maintain attention in familiar and unfamiliar situations, attend to other people (adults, peers) both familiar and unfamiliar. Respond – to others questions, when listening to stories, to instructions, responding with relevant comments. Communication – engage in conversations with others giving attention, respond and communicate appropriately, talk about familiar events or characters in stories.	Respond to – interact with other people in a range of situations in conversations, in their play, in response to stories or questions. Follow – instructions, requests, and ideas in a range of contexts and situations. Respond to and answer questions – 'where' 'how' and 'why' questions about self and own experiences; 'how' and 'why' in response to stories and events; answer questions in response to thoughts, ideas, predications, speculation, provocations.	 Speaking – speak clearly, speak in sentences, use sentences that give many details. Questioning – ask and answer questions when talking to familiar/unfamiliar people in different contexts. Vocabulary – use an increasing range of vocabulary appropriately, understand the meaning of new words. Communication – communicate freely with different people, engage in conversations taking into account the listener, and take turns to listen and to speak in different contexts. Uses Tenses – past, present and future – in conversations with peers/adults about themselves and their experiences, activities, ideas and events. Reasoning – talk about and explain reasons for actions, events, activities; explain their ideas giving reasons in different contexts. Clarify Thinking – use talk to connect ideas, and share their thinking in different contexts. Narrative – use language of stories to imagine and recreate ideas in different contexts. 		
Exceeding: Follow more complex/several part instructions accurately Exceeding: Ask for clarification e.g. about instructions given to them Exceeding: Listen with sustained concentration for longer periods	Exceeding: Express views about characters in a story or the story as a whole Exceeding: Answer questions using 'think, say, feel' prompts about experiences, stories and events Exceeding: Answer questions about why things happen in a story	 Exceeding: Show awareness of the listener (audience) by making changes to language and non-verbal features Exceeding: Recount experiences and stories Exceeding: Use a range of vocabulary to add information, express ideas and explain actions or events. Exceeding: Justify ideas and experiences

Make phonetically plausible attempts when writing more complex words, (e.g. using Phase 4 CCVCC). Spell some irregular common words (tricky) the, to, no, go, independently. Write own name. Handwriting: (also see Physical Development – moving and handling) Write left to right and top to bottom. Form some lower case letters correctly; starting and finishing in the right place, going the right way round, correctly orientated. Know how to form clear ascenders ('tall letters') and descenders ('tails'). Form some capital letters correctly. Including the initial letter of their name. Form letters from their name correctly. (N.B. the letters children can form correctly will relate to their name, phonics phases and other letters which children have been taught to form correctly). 		

Early Learning Goals

EXPECTED	EXPECTED	
Children read and understand simple sentences. They use phonic knowledge to decode regular words and read them aloud accurately. They also read some common irregular words. They demonstrate an understanding when talking with others about what they have read.	Children use their phonic knowledge to write words in ways which match their spoken sounds. They also write some irregular common words. They write sentences which can be read by themselves and others. Some words are spelt correctly and others are phonetically plausible	
EXCEEDING	EXCEEDING	
Children can read phonically regular words of more than one syllable as well as many irregular but high frequency words. They use phonic, semantic and syntactic knowledge to understand unfamiliar vocabulary. They can describe the main events in the simple stories they have read.	Children can spell phonically regular words of more than one syllable as well as many irregular but high frequency words. They use key features of narrative in their own writing.
