

Week Beginning - 11th January 2021

Year 1 Remote Learning Challenges

Don't forget to share photos of you learning remotely.

h.kaur@ourladystarofthesea.lancs.sch.uk

PE

Take some time to stretch and reflect with some Yoga. Click on the button below.

RE

Last RE lesson, we thought about families and talked about how all families are different and unique. This week I would like you to write about how your family cares for you. Can you draw a picture and write a couple of sentences to go with it? For example you might draw a picture of them helping you with your remote learning - your families care so much about growing your brilliant brain!

Geography

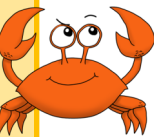

This week I would like you to keep a weather diary. Choose a time to check the weather each morning and write down what you notice. You could even draw a picture too.

I have uploaded a template below. You can use this or make your own weather diary/report. It's up to you, you are all so creative!

Handwriting and Spellings

Let's keep practising that cursive handwriting Year 1. I have uploaded a handwriting booklet that you can print out or you can practise your cursive handwriting on lined paper.

Art

Check out Mrs Curtis' Art blog for this weeks learning.

Extra Challenges
