PE

Let's get outside and breathe in the fresh Spring air! Can you go on a Spring walk with your family? Below is a Spring Treasure Hunt for you to have a go at. How many times can you get out and about this week?

Science

Watch the Science Video below. Then go outside and look at a flowering plant Can you name any of the plants features e.g. **petals, stem, leaves, roots**? Can you draw your favourite spring flower and label its parts? You might choose a daffodil for example. Once you are feeling confident, I have set you a challenge on Purple Mash to grow your brain.

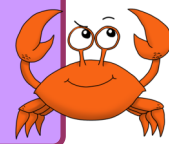

RE

We are going to be learning about how Jesus chose some of his first disciples and reflect on how we choose our friends. Think about one of your friends. **Why are you friends? What makes them a good friend?** Now watch the video and think about **what Jesus liked about Peter. Why do you think Peter left his boat and went with Jesus? What did Jesus mean when he said 'fish for people'?**

World Book Day

On Thursday we will be celebrating World Book Day and I have some very exciting challenges for you!

Spellings

This weeks spellings are on Purple Mash for you to practise.
