

Week Beginning - 18th May 2020

Year 1 Home Learning Challenges

PE

This week I want you practise your hopping - <https://lancashireschoolgames.co.uk/learn-skill-3/> . Have a go at the Bunny Hop Bop challenge - <https://lancashireschoolgames.co.uk/9162-2/> . Can you improve each day? Check out this weeks School PE challenge too!

History

Travel back in time to the streets of London. Imagine you are standing amongst the chaos of the Great Fire and use your senses to describe what it is like. See the PDF below.

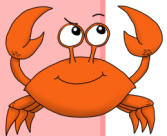

Computing

Use 2Animate to create a simple animation of the Great Fire of London or a plant growing. You choose! I have set 2Animate in your To Do's; grown ups please support the children with this as it is new learning. You can even upload of background image from your computer (you could get a backdrop of London). To repeat slides, drag the slide onto the next. Remember to save them so that I can watch!

RE

This week you are going to learn about how Jesus ascended into Heaven. Watch the video <https://www.youtube.com/watch?v=UcFw8pLBSIo>. Discuss - **Why do you think Jesus had to go back to heaven? What do you think God said to Jesus when he went back to Heaven? What do you think his disciples thought when he left?** Children to draw/create a picture of Jesus ascending into Heaven and write a prayer to Jesus underneath it.

Art

Check out Mrs Curtis' Art blog on Monday for some creative learning.

Extra Challenges
